**Ch. 13-4 due Tuesday**

## **Day 5 - Reformation**

Entrance task: Write a thesis statement for this question:

**In what ways did the beliefs of protestants differ from those of the Catholic church.**

Today: Calvinism

Homework: Ch. 13-4 due Tuesday

Catholics and Protestants differ on issues including authority, salvation, and the Eucharist.

When it comes to [authority](#), Protestants and Catholics have differing views on the source. The Bible is the source of all authority, according to Protestants such as Martin Luther and John Calvin. For Catholics, however, the Bible **and** tradition, as well as the decisions of church councils have equal weight when it comes to religious authority.

The way in which Christians achieve [salvation](#) is also different.

## Calvinism

- Calvinism had political, social and economic implications, as did other reform movements
- Puritan work ethic – “work hard, do good” promoted economic growth, especially in the Netherlands
- Not recognized in the Peace of Augsburg – led to religious wars

## TULIP is the acronym for the basic ideas of classical Calvinism

**T** -- Total depravity. This doesn't mean people are as bad as they can be. It means that sin is in every part of one's being, including the mind and will, so that a man cannot save himself.

**U** -- Unconditional election. God chooses to save people unconditionally; that is, they are not chosen on the basis of their own merit.

**L** - Limited atonement. The sacrifice of Christ on the cross was for the purpose of saving the elect.

**I** - Irresistible grace. When God has chosen to save someone, He will.

**P** - Perseverance of the saints. Those people God chooses cannot lose their salvation; they will continue to believe. If they fall away, it will be only for a time.
